Empower Global Image Consultant **Network Group**

Dear Consultants,

As you may know the Image Consultants Training name has become one of the world's first class names within the image industry and our website has become a key component of the Image Consultants Training marketing with the tools every consultant needs.

The Image Consultants Training website is generating traffic with an average of 6,000 hits per month and due to this factor work is generated for our consultants worldwide. We are planning to continue aggressively marketing the Image Consultants Training brand and promote it globally.

Hence belonging to our **Empower Global Image Consultant Network Group** will give you the rights and privileges to be coached, Mentored and supported to build and grow your business. Furthermore you will have unlimited access to our Online Training, Fashion & Style Guide, and Discount System. Belonging to this elite team allows you to be listed on the website and receive prospective client inquires to build up your business. The cost of belonging to this team is just over \$1 a day (monthly payment plan available). One job a year through our **Empower Global Image Network Group** Membership will pay for your investment.

Belonging to the team will give you access to:

- A detailed listing of your bio & head shot
- Mentoring & coaching
- Support to build & grow your business
- Referrals to your business
- Access to our monthly **Empower Global Image Consultant Forum**
- Unlimited creation of F&S Guides
- Access to our monthly online training (10 classes)
- Ability to sell online seminars
- The use of our training PowerPoint's
- Access to our wholesale prices up to 50% off RRP (regular retail price)
- Access to our specials
- Yearly training to keep up-to-date

We are committed to provide you with the resources you need to create an image with Impact, Beauty and Authenticity. Our plan is to be the vehicle to help grow your business and to get you where you want to be by providing you with the tools, training and resources every consultant needs.

I wish you success,

Ferial Youakim, AICI CIP
